" .

A Peculiar Grace - Jeffrey Lent

In A Peculiar Grace, hero Hewitt Pearce ' s toughest tests result instead from his own past and his not-always-healthy ways of coping with it. In this book, Mr. Lent has shrunk his canvas down from the sweeping, heroic backdrops he used in Fall and Nation , to the emotional life of one st Jeffrey Lent ' s heroes face challenges out of the run of the mill.

A Peculiar Grace by Jeffrey Lent - Goodreads

An unforgettable tale of love, family secrets, and the hold of the past in a family of New England artists, A Peculiar Grace is the latest triumph from the author of In the Fall, hailed by The Christian Science Monitor and The New York Times as one of the best books of the year. Hewitt Pearce lives alone in his family home, producing custom ironwork and safeguarding a small collection of art his late father left behind.

This lapse into generic erotic breathlessness is puzzling given the scene 's importance and Lent 's exceptional talent (oft on display in "A Peculiar Grace" but only sporadically essential to it) for...

A Peculiar Grace - Jeffrey Lent - Books - Review - The New ...

Jeffrey Lent's previous novels have earned him comparisons to Cormac McCarthy, Pat Conroy, and William Faulkner, and his book *In the Fall* was hailed as one of the best of the year by the *Christian Science Monitor* and the *New York Times*. In *A Peculiar Grace*, Lent has delivered a book that takes his oeuvre in a new direction. It is a brilliant portrait of love, destruction, and rebirth in modern-day Vermont.

The acclaimed author 's "transcendent story about the healing power of love and art" set in the New England woods—"magisterial and . . . beautifully written" (*Publishers Weekly*, starred review). Hewitt Pearce lives alone in his Vermont family home, producing custom ironwork and safeguarding a small collection of art his late father left behind. When Jessica, a troubled young vagabond, washes up in his backwoods one morning, Hewitt 's hermetic existence is challenged. As he gradually uncovers Jessica 's secrets and reestablishes contact with Emily, a woman he thought he had lost twenty years before, Hewitt must confront his own dark history and rediscover how much he craves human connection. Rendered in prose that is "lustrous—rich in supple dialogue and finely patterned imagery," *A Peculiar Grace* is a remarkable achievement by one of our finest authors, an insightful portrait of family secrets, and a rich tapestry filled with characters who have learned to survive by giving shape to their losses (*Booklist*). "Echoing the rhapsodic specificity and gravitas of Steinbeck and Kent Haruf, Lent has constructed a resolute tale of paradise lost and found." —*Booklist*, starred review "Jeffrey Lent has quietly created some of the finest novels of our new century." —Ron Rash "Jeffrey Lent builds characters and their world like a painter layering his canvas, telling his story but substantiating it with color and light." —Tim Pears "Sentence by sentence rural New England comes alive, and Lent 's language draws you in like a clear stream in summer." —Tim Gautreaux

From Jeffrey Lent comes *Before We Sleep*, a novel about family, about family secrets, and about the love that holds families together.

At the close of the Civil War, weary veteran Malcolm Hopeton returns to his home in western New York State to find his wife and hired man missing and his farm in disrepair. A double murder ensues, the repercussions of which ripple through a community with spiritual roots in the Second Great Awakening. Hopeton has gone from the horrors of war to those far worse, and arrayed around him are a host of other people struggling to make sense of his crime. Among them is Enoch Stone, the lawyer for the community, whose spiritual dedication is subverted by his lust for power; August Swartout, whose wife has left earthly time and whose eye is set on eternity; and a boy who must straddle two worlds as he finds his own truth and strength. Always there is love and the memory of love--as haunting as the American Eden that Jeffrey Lent has so exquisitely rendered in this unforgettable novel. *A Slant of Light* is a novel of earthly pleasure and deep love, of loss and war, of prophets and followers, of theft and revenge, in an American moment where a seemingly golden age has been shattered. This is Jeffrey Lent on his home ground and at the height of his powers.

"Majestic . . . epic . . . vital . . . a necessary piece in a uniquely American mosaic." —*The New York Times Book Review* "Right from the start of this engrossing family saga, you know that you 're in the hands of a storyteller who knows just where he 's going. . . . You can hear echoes of Faulkner and Cormac McCarthy in Lent 's prose. But the presiding geniuses of this dark novel 's painterly, poetic scenes are Robert Frost and the artist Winslow Homer . . . flint-eyed Yankees who never saw a paradise that didn 't have a snake." —*Newsweek* A national bestseller and a *New York Times* notable book, now in Grove Press paperback for the first time, *In the Fall* is a richly layered epic that conjures the history of three generations of an American family and the dark secrets that blister at its core. At the close of the Civil War, Norman Pelham, son of a Vermont farmer, is found wounded by Leah, an escaped slave harboring a devastating secret. The two become lovers as Leah nurses Norman back to health, and journey north together as man and wife. Their son forsakes the family for the anonymous world of bootlegging and nightclubs, but long-buried truths come to light when their grandson is driven to retrace his history and disentangle his complicated inheritance. Spanning the post-Civil War era to the edge of the Great Depression, *In the Fall* is a fierce, gripping vision of an American landscape and history, and an unforgettable portrait of an American family. "A stunning success . . . Builds like a thunderstorm coming over the horizon." —*The Christian Science Monitor*

After *You 've Gone* in paperback, it is a moving, sublime love story set in the cataclysmic decades around the turn of the twentieth century. Henry Dorn has spent years building a family, but it only takes a single afternoon for it to fall apart. Abruptly widowed of the love of his life, Henry buys a steamer ticket for

Read Online A Peculiar Grace Jeffrey Lent

Amsterdam, the city of his heritage, hoping to start life anew. But nothing could have prepared him for the woman he meets on the ship: the fiery, self-sufficient Lydia Pearce, one of a new generation of women. Before long the two have fallen into an affair of a depth and significance for which neither was prepared. But the memory of his wife and the vexed relationship he had with their son haunt Henry in the midst of his new beginning. Jeffrey Lent is one of our finest novelists, and *After You ' ve Gone* delivers a tale that beautifully charts the sweep of a life, the grim reach of a war, and the discovery—and loss—of life-defining love
