A wonderful story that highlights the virtue of "courage." An An the Kaola is scared. There has to be a monster hiding under his bed; maybe in his closet. Claws, jaws, gnarling teeth, big eyes... and he is coming to get An An the Kaola. Mommy says she is going to get rid of the monster for him. But all he really needs is the word "courage." Includes one book and one CD read in Mandarin. In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.
