Dear diary, what a day it's been. Dear diary, it's been just like a dream. Woke up too late. Wasn't where I should have been. For goodness sake, what's happening to me? Write lightly, yours truly, dear diary. It was cold outside my door. So many people by the score. Rushing around so senselessly. They don't notice there's people like me. Write ...

Dear Diary | East Bay Express  
"Dear Diary" is an extension of the column she writes for hi She grew up a Jewish American Princess in Long Island, endured the same cattiness and extreme self-consciousness all teenagers suffer through, became a punk, then a raver, then went off to college — and became a full-blown junkie.

This is the diary of Syazwanie, a young teenager who had secretly written this diary and keeping it hidden from the rest of the world until now! Join her as she narrates funny entries and wacky illustrations as she faces her first day of secondary school with frog leg soup being served, talking to her weird pets, eating cardboard-like cornflakes for breakfast, going through gruesome exams and other exciting adventures. Share her high obsession to books and frustration towards boys.

"Dear diary" my escape from solitude , accompanied me whenever I was down and frown, just a pen in my hand , and I was ready to scribble it out in the diray. From sweet memories to painful sorrows ever, It allowed me to pour all my whole forever . Down the pages of it, You will find 45 souls who know well to arrange their innerself within 26 alphabets. "Cheers to fears, Because it allowed us to scribble it here"

Presents excerpts from the author's diary from age twelve to twenty-five, updating each entry with information on later events, conversations she had with those mentioned, and her current perspective on the issues raised.

Describes techniques and exercises for creating a journal, and shares the rewards that keeping a journal can bring

Girl Journal with cats on the cover with pink lightly lined pages to journal, write, notes/jot, sketch, doodle. Just let your mind go free.

This particular array of short stories provides the reader with a diverse range of options to choose from. You might find yourself flipping through the pages in engrossment, as it provides a platform of relativity and easy association to you and perhaps revive a moment or two from your own personal lives with relation to these personalized stories. All in all, this is definitely one book that is worth going into your shelf.

While on vacation in New Mexico, a young girl keeps a diary of the places she visits.

The story revolves around a psychologist named Adam fox. One incident out of blue hits his mind that has happened five years ago in his life and turned his life upside down. As the story continues he is encountered with a belonging of an unknown person which brings twist in the tale.
