The first Zetec-branded engine was the Zeta family, introduced for the 1992 model year powering the fifth generation of the European Ford Escort, the third generation Orion and the Mk.3 Fiesta. The engine was originally available in 1.6 and 1.8 liter versions with a 2.0 liter version appearing in 1993 in the all-new Mondeo.

Ford Zetec engine - Wikipedia

Ford Fiesta Zetec. The Ford Fiesta has been a familiar sight on British roads since 1976 but has been regularly up-dated ever since. It wasn't until the third generation model that the Zetec' badge appeared. That was in 1992. The exotic-sounding name appeared on a sporty 16-valve version of the Fiesta.

exciting and always fascinating evolution, to its expansion and worldwide success in both motorsport and high-performance road car production.

Ford cars can be found all over the world, and vintage models appear at most classic car shows. This book helps to identify the models sold by Ford of Britain, and provides detailed information on each model, with technical specifications, original colour photographs, and lists the colour schemes that were available. Continuing this popular series covering classic British cars, David Rowe now turns his keen eye to the British Ford models. He is well placed to do so, having worked at two Ford dealerships over a 30-year period and has driven many of the models covered by this book.
