This publication presents results of a statistical survey on recovered paper utilization by country and by paper sector. Survey results from correspondents and data from the Confederation of European Paper Industries (CEPI) are complemented with global data on collection, consumption and trade of recovered paper derived from other sources.

The annual FAO survey of world pulp and paper capacities is based on figures received from correspondents. The following are some features of the presentation: country tables for pulp and paper are presented on one page; grade tables show the volume of production capacity by country, for each product and product aggregate code; and production tables by country. Le recensement annuel de la FAO sur les capacités mondiales de production de pâte et de papier se fonde sur les chiffres envoyés par les correspondants. La présentation des données est caractérisée par les points suivants: les tableaux par pays
