Getting High is an illuminating, funny, sometimes shocking reminder of how big a band can get, and how quickly the insanity sets in. Oasis have today sold in excess of 70 million records worldwide. Hewitt's intimate account of this explosive and beloved band, in their prime, is a rock classic and a riveting narrative.

In 30 years of operating expeditions High Adventure has taken over 700 people on trekking, mountaineering and ski touring projects around the world. We have organised expeditions to more than a dozen countries in Europe, the Himalayas, East Africa, South America and the former Soviet Union. Many of our projects are unique to High Adventure and have been designed and planned as the result of our own field research.

The Adventures were a Northern Irish rock/pop band, formed in Belfast in 1984 who scored a number of hits during the 1980s and early 1990s. The band moved to London where they signed to Chrysalis Records and released their first single in 1984. Following their debut album, the group moved to Elektra Records and scored their biggest hit, "Broken Land". The song was written by guitarist Pat Gribben and reached number 20 in the UK Singles Chart, becoming the most played song on BBC Radio 1 in 1988.

HIGH ADVENTURE. None of the Old Time Radio networks had a hold on romantic adventure like the Columbia Broadcasting System. The other networks certainly made the attempt to get a foot hold in the genre, but it would have been difficult for anyone to compete with The Whistler, Suspense, and Escape. High Adventure is sometimes billed "The Mutual Network's answer to Escape!"

remote coasts of the north and east. He must travel by pack horse and steamship through wild terrain and terrible seas, all the while attempting to outwit his rivals and cope with the challenges of surviving in a tough land. An introduction and epilogue by K.J. Findlay place the story in the context of a pivotal period in Iceland's history and explain Pike Ward's role in the nation's remarkable rise.

An autobiography, this is a first-hand account of a troubled teen who had way more than his fair share of misfortune. Born bald and innocent, Bobby was just three years old when his father died. The sun rose and set many times before his hair grew long and trouble came knocking at his door. Following in his father's footsteps, a guy who never learned to slow down and who died young, Bobby makes his first trip to reform school at age fourteen, quickly learning that he is as tough or tougher than the other young outlaws on the block. Sex, drugs, and rock 'n' roll are all part of his personality, and the girls think he is pretty cool. After a terrible motorcycle crash in 1981, Bobby is paralyzed from his chest to the tips of his toes. He is lucky to be alive and he knows it. This troubled teen develops into a man who hopes his story will help turn other people "from their evil ways." Bobby Fordham says, "I am a T-4 paraplegic, which put an abrupt end to my criminal career and fist fighting days."

William Watson spent two years evading Union gunboats and dealing with the "sharppers" who fed off the misfortune of the Civil War. In 1892, using log books, personal papers, and business memoranda, he sought to write a "plain, blunt" account of "events just as they happened." Instead, he wrote a classic adventure tale whose careful description of seafaring in the 1860s gives us a glimpse into a world now closed to us. Watson shares his story with his ship, the Rob Roy, and peoples his account with the good, the bad, and the unlucky. He takes his reader from Havana to Galveston, braving gales and a hurricane, and surviving plots against his ship and his life. Through it all, he maintains his honor and guards his profits. For the reader who wants to ply the Gulf of Mexico under sail, play the lottery in Havana, and visit Texas when it was "a new country," Watson is the perfect guide to run the blockade that time imposes on posterity.

This book is about two pups named Pink and Pat, the trouble they get into and out of, and the adventures they go on. More importantly, it is also about the friends they make along the way and the lessons learned from those friendships. Each story contained in this book explores a separate adventure with both new and existing friends. In each there is also a central, underlying lesson that both Pink and Pat learn about friendship along the way.
