dealing with diplomats and handling complex situations. After all, as the daughter of the owners of Cirque de Magik, the most spectacular Circus to the Stars, she is used to organizing their trips to foreign countries. Her life changes when her mother and father decide to take the circus to the real stars... and to another star system! If she thought learning new laws and customs was going to be a challenge, it was nothing to the sudden interest she was getting from a huge blue male known as the Grand Ruler! Ricki discovers words that she didn't even realize were in her vocabulary, most of them not in the least polite. She decides the best way to deal with the arrogant male is to treat him like she did when encountering difficult Consuls during the circus' travels on Earth; stay cool, calm, and professional and only deal with the facts necessary to complete whatever business transaction was required. Ristéard is stunned when a strange, alien female, foretold in the ancient tablets as being the great Empress who will save his world, appears. He is even more astonished when she refuses his attentions! With the life of his planet at stake, not to mention his own peace of mind and body, he will do whatever is necessary to ensure the female stays by his side. Yet, there are forces working against him and Ricki, powerful forces that do not want him to be successful. Dangers and traitors among his own council threaten not only him, but her. It will take all of Ristéard's resources, and a few unexpected allies, to complete the dangerous journey ahead of them. Can he keep his unwilling Empress safe from those that would destroy her? Better yet, can he save his world when there are those that would destroy it for the treasure of precious Blood Stones hidden somewhere beneath its surface? Aliens, warships, battles, and a certain alien male were not in the carefully detailed plans Jo had for her life. Manota Ja Kel Coradon is the second son of the ruling House of Kassis. He is known as the dark brother, and he lives up to his reputation. He has fought hard to protect his family and the people of Kassis, at times sacrificing parts of his soul to keep others safe, but even so, Manota was in total control of his life until one slender, feisty alien female crashes through the shields he has placed around his heart. She is fearless and stubborn, absolutely refusing to cower before him, no matter how much he growls, and he is determined to claim her as his own. There is just one little problem – she will not accept his claim unless he returns to Earth for her parents. And Jo's parents won't be the only ones coming back to Kassis – so is her entire circus family! Traitors, pirates, and Mimes are just the beginning of the surprises on this journey. Manota is about to learn that the prophecy foretold centuries ago is true. His mate is just as much a warrior as he is and she comes with backup! Internationally acclaimed S.E. Smith presents a new action-packed story full of romance and adventure. Brimming with her signature humor, vivid scenes, and beloved characters, this book is sure to be another fan favorite!
