Munroe describes the process of discovering and refining one's leadership potential, identifies unique attitudes that all effective leaders exhibit, and shows how to develop them to fulfill one's particular calling.

You were born to lead. Now it's time to become a leader. Leaders may be found in boardrooms, but they may also be found in families, schools, and organizations of all kinds--anywhere people interact, nurture, create, or build. Contrary to popular opinion, leadership is not meant for an elite group of people who, by fate or accident, become leaders while everyone else is consigned to being a lifelong follower. After personally training thousands of leaders from around the world, best-selling author Dr. Myles Munroe reports that while every person possesses the potential of leadership, many do not understand how to cultivate the leadership nature and how to apply it to their lives. In The Spirit of Leadership, Dr. Munroe defines the unique attitudes that all effective leaders exhibit, explains how to eliminate hindrances to your leadership abilities, and helps you to fulfill your particular calling in life. "...a defining portrait of true and effective leadership. On these pages you will discover your purpose, your passion, and your potential to become the leader God has destined you to be." --Pastor John Hagee, Cornerstone Church "[Dr Myles Munroe's] wisdom is to the believer what a phone booth was to Superman! Step into every page and be charged!" --Bishop T. D. Jakes, The Potter's House of Dallas "The world is groaning in travail, waiting for the manifestation of those who will rise up as followers of God and leaders of men.... Dr. Myles Munroe will give you invaluable insight in your quest to discover and develop the spirit of a leader." --Pastor Rod Parsley, World Harvest Church "Are you aware that God has ordained you to be a leader? In The Spirit of Leadership, Dr. Myles Munroe gives us the key to find the hidden leader within ourselves. I highly recommend this inspired book to all." --Paul F.
