Southampton UK to New York City US, sank on April 15, 1912 in the North Atlantic Ocean after hitting an iceberg. The story follows the events that led up to the fatal collision with an iceberg and the resulting tragedy that came after. Using interviews from actual survivors, *A Night to Remember* shines a light on those who gave their lives for others, those who fought for survival, and those who sat helpless on lifeboats while others remained trapped below decks while the ship sank. This Novel Study provides a teacher and student section with a variety of activities, discussion questions and answer key to create a well-rounded lesson plan.

Revealing a tension between the medical model of depression and the very different language of theology, this book explores how religious people and communities understand severe sadness, their

Chapters 3 Through 5

coping mechanisms and their help-seeking behaviours. Drawing from her study of practicing Catholics, contemplative monks and nuns, priests and laypeople studying theology, the author describes how symptoms that might otherwise be described as pathological and meet diagnostic criteria for a depressive disorder are considered by some religious individuals to be normal and valued experiences. She explains how sadness fits into the 'Dark Night of the Soul' narrative - an active transformation of emotional distress into an essential ingredient for self-reflection and spiritual growth - and how sadness with a recognised cause is seen to 'make sense', whereas sadness without a cause may be seen to warrant psychiatric consultation. The author also discusses the role of the clergy in cases of sadness and depression and their collaboration with medical professionals. This is an insightful read for anyone with an

ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and

document their learning. As the creators of the Paths ELA curriculum for grades 6–12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.
