Who's Who in Canadian Business, now in its 21st year, is a comprehensive and independent guide to Canada's business elite. Listing over 5,000 corporate and entrepreneurial leaders, each with a detailed biography and contact information, this directory is an excellent resource for anyone needing information on Canada's business world. Biographies include such information as current employment, address, education, career history, publications, favourite charities, and honours. Those listed are included because of the positions they hold in Canadian business and industry, or because of the contributions they have made to business in Canada. The directory is updated annually; new and updated biographies are marked for easy reference. All biographies are indexed by company name. Included in this edition is the PROFIT 100 / Next 100 listing of Canada's fastest-growing companies, as well as a list of professional associations, each with full address, contact names, and a brief description.

Vols. for 1970-71 includes manufacturers' catalogs.

This basic source for identification of U.S. manufacturers is arranged by product in a large multi-volume set. Includes: Products & services, Company profiles and Catalog file.
