The book acquaints the readers with the new International Financial Reporting Standards (IFRS) which are applicable in India from 1 April 2011 onwards. Divided into 17 chapters, the text explains, with the help of many tables, boxes, and practical examples, all the basic accounting principles. The book is

# Read Online Solution

Written in an accessible and reader-friendly manner so that the students can comprehend the subject with great ease.

Intended primarily for postgraduate students of management, the book should also be extremely useful for those preparing for accountancy examinations. Besides,
