Henry I (c. 1068 – 1 December 1135), also known as Henry Beauclerc, was King of England from 1100 to his death in 1135. He was the fourth son of William the Conqueror and was educated in Latin and the liberal arts. On William's death in 1087, Henry's elder brothers Robert Curthose and William Rufus inherited Normandy and England, respectively, but Henry was left landless.

Henry, the youngest of The Conqueror's sons assumes the mantle of The Lion of Justice. The death of The Conqueror left three sons to inherit his power and his wealth. Normandy for Robert, England for Rufus and for Henry, the youngest, five thousand pounds of silver. The three were natural rivals. The feckless Robert lost Norman dukedom in an orgy of impulsive extravagance. Red-haired Rufus scandalised the court with his perverse sexuality and contempt for the Church. And Henry-cleverest of all-awaited his chance to fulfil his father's prophecy and assume the mantle of The Lion of Justice. 'Jean Plaidy, by the skilful

Don Morris and Michael Toro, describes Islamic terrorists intent on spreading chaos with an attack in the San Francisco area and the efforts of an American-Muslim undercover law enforcement officer to stop them at any cost. Jake Hakam and his team must hurry to discover the nature of the attack so that they can stop it, but the roots of the plan go deeper than they can imagine. Sleeper cells have spent the last two decades infiltrating law enforcement, academia, government and local businesses, waiting for the signal from their sheik to strike. The local chief of police is too bogged down in procedure to do anything to help Hakam, leaving him and his small team on their own in fighting the coming destruction."The

novel demonstrates how a terrorist group with a strong ideological commitment could create, plan and execute a long-range scheme of horrendous atrocities," says Morris. "It shows also how politically correct institutions contribute to such plans and how they actually assist in their execution." Morris and Toro bring their own experience in government and investigations in law enforcement to bear in a story aimed to engage, educate and spur action. The novel is an action-oriented thriller intended to keep readers on the edge of their seats.

Gutiérrez before Alonzo W. Allee shot and killed him and his son, Manuel Gutiérrez. What began as a simple dispute over Allee's unauthorized tenancy on a Gutiérrez family ranch near Laredo, Texas, led not only to the slaying of these two prominent Mexican landowners but also to a blatant miscarriage of justice. In this engrossing account of the 1912 crime and the subsequent trial of Allee, Beatriz de la Garza delves into the political, ethnic, and cultural worlds of the Texas-Mexico border to expose the tensions between the Anglo minority and the Mexican majority that propelled the killings and their aftermath. Drawing on original sources, she uncovers how influential Anglos financed a first-class legal team for

Allee's defense and also discusses how Anglo-owned newspapers helped shape public opinion in Allee's favor. In telling the story of this long-ago crime and its tragic results, de la Garza sheds new light on the interethnic struggles that defined life on the border a century ago, on the mystique of the Texas Rangers (Allee was said to be a Ranger), and on the legal framework that once institutionalized violence and lawlessness in Texas.
