The secret history of our most vital organ--the human heart The Man Who Touched His Own Heart tells the raucous, gory, mesmerizing story of the heart, from the first "explorers" who dug up cadavers and plumbed their hearts' chambers, through the first heart surgeries-which had to be completed in three minutes before death arrived-to heart transplants and the latest medical efforts to prolong our hearts' lives, almost defying nature in the process. Thought of as the seat of our soul, then as a mysteriously animated object, the heart is still more a mystery than it is understood. Why do most animals only get one billion beats? (And how did modern humans get to over two billion-effectively letting us live out two lives?) Why are sufferers of gingivitis more likely to have heart attacks? Why do we often undergo expensive procedures when cheaper ones are just as effective? What do Da Vinci, Mary Shelley, and contemporary Egyptian archaeologists have in common? And what does it really feel like to touch your own heart, or to have someone else's beating inside your chest? Rob Dunn's fascinating history of our hearts brings us deep inside the science, history, and stories of the four chambers we depend on most.

It was a dark time in my life where I was doing things wrong by stealing, cheating, and living a life full of sin. Not knowing that there were consequences to my actions. Living in a world that is fallen and evil to the core. I was suddenly lost and without hope and didn't know which way to turn. Prayers weren't being heard, and life was spinning out of control. One thing after another was coming at me. I was brought to my knees, and I found myself broken. The shame was unbearable and too much for me to bear. I prayed to the Lord, and nothing happened. I found myself crying for mercy to the Lord and begging for his forgiveness. I didn't know how I was going to get through this painful part in my life. As my cry entered the Lord's ears, he had answered me, and he told me that he has forgiven me and his peace he leaves with me. The peace he gave me was not of this world. He told me to serve him and not sin. He told me to walk uprightly before him and to always acknowledge his son, Jesus Christ, the savior of the world. The day the Lord touched me was the greatest day of my life. I suddenly had regrets, wishing I had known the Lord sooner in my life. The Lord is so good and merciful. If I had only given him my life sooner, I thought, and then he reminded me that I wouldn't have the testimony I have today if I would've known him sooner. God has perfect timing, and he is always on time. Those who call upon the name of the Lord shall be saved. Wait patiently upon the Lord, and he will place you upon the rock of salvation, and that is Jesus Christ.
