The Sisters Grimoire Kindle Edition Suza Kates

The only bummer is that the editing (of the Kindle versions at least) includes grammatical errors in every single book I've read. I obviously see past this, but I know some people go nuts over that kind of thing. The Sisters Grimoire series is full of twists and turns and characters that you aren't sure if you should love or hate.

Having read The Sister's Grimoire I was looking forward to the release of Winter Fae. You will get taken away to a land of magic and dragons. The Whiteburn sisters are faced with trials and coping with unknown dangers. This book is the first in a series of three. I cannot wait to read the next one.

### The Sisters Grimoire Kindle Edition Suza Kates

Loved this story. It followed up nicely to the prequel, The Sisters Grimoire. Thought the description of Fairy Land was so clear and detailed that I could actually visualize it in my head! This story follows the sisters on the first of 3 quests since finding out of their powers and destiny. It definitely makes me eager for the other 2 stories!

### Winter Fae (The Sisters' Grimoire #1) by Suza Kates

Chosen Blood is Book 2 in The Sisters Grimoire series. This is Fiona's story. Fiona feels guilty for losing the Jeweled Ceffyl and sets out to find it in order to save her family from the evil Emuirdane. Now there's a villain you will LOVE to hate! This is such a great story with great content!

### Chosen Blood (The Sisters' Grimoire #2) by Suza Kates

The two Sisters brothers, Charlie and Eli are hitmen for the Commodore, who has contracted them to assassinate Hermann Kermit Warm. They are both remorseless in killing but Eli wants to try new things and dreams of a different life, perhaps opening a store, settle down with a female, any female - such a sweet guy.

### The Sisters Brothers Kindle Edition - Amazon.co.uk

It was worth the wait to finally catch up with The Daughters of Nadia in Suza Kates' The Sisters Grimoire Trilogy. Although this is the last book in the series, Suza delivered another masterpiece with the Whiteburn sisters battling the Fae enemy that they thought was finally eliminated.

Orpheus, the famed oracle orator hero of Greece, began to teach a new religion at the dawn of the Archaic Age. Deeply rooted in ancient paganism, Orphism taught a doctrine of peace-seeking, reincarnation, and universal brotherhood. The followers, like their leader, worshiped their gods with song. Eighty seven of these ancient hymns have survived to the present day, and are called The Orphic Hymns. They've been translated into English many times. In this new collection of translations, from noted magician and pagan teacher Sara L. Mastros, the hymns come alive for the modern pagan. In addition to her inspired translations, this book also contains fascinating historical and social commentary on the hymns from a modern, feminist, pagan viewpoint, as well as spells and devotional practices for modern worshippers of the Greek gods, and brilliant "color your own" ikons.

From the beloved World Fantasy Award-winning author of Witchmark comes a sweeping, romantic new fantasy set in a world reminiscent of Regency England, where women's magic is taken from them when they marry. A sorceress must balance her desire to become the first great female magician against her duty to her family. Beatrice Clayborn is a sorceress who practices magic in secret, terrified of the day she will be locked into a marital collar that will cut off her powers to protect her unborn children. She dreams of becoming a full-fledged Magus and pursuing magic as her calling as men do, but her

family has staked everything to equip her for Bargaining Season, when young men and women of means descend upon the city to negotiate the best marriages. The Clayborns are in severe debt, and only she can save them, by securing an advantageous match before their creditors come calling. In a stroke of luck, Beatrice finds a grimoire that contains the key to becoming a Magus, but before she can purchase it, a rival sorceress swindles the book right out of her hands. Beatrice summons a spirit to help her get it back, but her new ally exacts a price: Beatrice's first kiss . . . with her adversary's brother, the handsome, compassionate, and fabulously wealthy Ianthe Lavan. The more Beatrice is entangled with the Lavan siblings, the harder her decision becomes: If she casts the spell to become a Magus, she will devastate her family and lose the only man to ever see her for who she is; but if she marries—even for love—she will sacrifice her magic, her identity, and her dreams. But how can she choose just one, knowing she will forever regret the path not taken?
