Chinese Made Easy adopts a new approach to teaching Chinese as a second or foreign language. It is designed for young students taking GCSE/IGCSE/A-Level Mandarin Chinese Exams (UK), SAT II / AP-Chinese Examinations (USA), IB Chinese Exam, Australian Chinese exams, HSK (Mainland China), or for those students who are starting to learn Chinese on their own. Chinese Made Easy has two levels: level 1-Book 1, 2 and 3; and level 2-Book 4 and 5. After completing this series, learners will acquire a vocabulary of approximately 1,700 Chinese characters and several thousand phrases. This course features task-based learning coupled with a focus on form and function. Textbooks are in full color and it includes both simplified and traditional Chinese characters in its vocabulary lists.

Paired with the Chaoyue: Advancing in Chinese language text, this workbook completes one of the most sophisticated and comprehensive language instruction tools currently available. The workbook cements students' interpersonal communication skills and their ability to present and interpret Chinese as it is spoken and written. Filled with authentic uses of the language from everyday life, the workbook, just like the textbook, paints a vivid portrait of the Chinese-speaking world for a variety of students to grasp. Also in line with the text, the workbook emphasizes communication, cultures, comparisons, connections, and communities, and includes relatable topics, such as the self, schooling, and social customs, altogether engendering an appreciation of Chinese within a solidly global context. Instructors may request an answer key by sending an e-mail to Jonathan Fiedler at jf2801@columbia.edu. Please provide your name, title, institution, and number of students in the course.

Traditional Chinese edition of Every Crooked Pot. For a teenager, the birthmark on her face is disastrous. Because of it, her life was ruined! So she believes. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.
